Dear Sir:

In response to the Restriction Requirement dated November 15, 2005, Applicant respectfully submits the following to be filed in the above-identified application.

The Examiner has requested an election of one of the following groups:

- I. Products for treating bacterial infections and capable of altering an aspect of Type-I MetAp activity, classified in various subclasses of classes 514, 548 and 564; and
- II. Method of providing a dosage of an antibacterial compound to a subject in need to inhibit Type-I MetAP activity, classified in various subclasses of class 514.

Accordingly, Applicant elects Group I, which relates to products for treating bacterial infections and capable of altering an aspect of Type-I MetAp without. Claims 1-6, 8-12, and 14-18 read on the elected subject matter (i.e., Group I), while claims 7, 13, 19 and 20-25 are withdrawn from consideration at this time as being drawn to non-elected subject matter. Nevertheless, Applicants respectfully request rejoinder of one or more of the non-elected claims upon the allowance of a generic or linking claim.
